

CRAFTED COFFEES

TEAS & FRUIT BLENDS

THE STORY OF OUR COFFEE

We're proud to serve a unique blend of coffee crafted especially for the Coaching Inn Group by expert roasters, Lincoln & York.

Lincoln & York was founded in January 1994 by coffee buyer James Sweeting & coffee trader Simon Herring, who named the business after their two home cities.

The pair started out hand roasting coffee in the garden shed before selling into local coffee shops, golf clubs & even hairdressers. With extensive knowledge of coffee, & a few trips to origin under their belt, the pair set out to become the country's premier coffee supplier.

Giving Back

Over the last decade or more, Lincoln & York has established numerous direct relationships between growers, co-operatives & customers.

In 2013 Lincoln & York also partnered in a project to train up the next generation of coffee farmers in Peru to create a more sustainable industry, targeting the generational skills gap. Over 85 farmers aged 16-34 have undergone the course so far, gaining valuable skills on themes including 'co-operative management', 'sustainable practices' & 'coffee quality'.
