

# COFFEE HOUSE MENU

## THE STORY OF OUR COFFEE

*We're proud to serve a unique blend of coffee crafted especially for The Coaching Inn Group by expert roasters, Lincoln & York. Our house blend offers buttery toffee sweetness that is backed up with a cream like mouthfeel and complemented by subtle citrus fruit notes and a lingering milk chocolate note. If you like our taste as much as we do, you can buy our beans by the bag.*

## GIVING BACK

*Over the last decade or more, Lincoln & York has established numerous direct relationships between growers, co-operatives and customers.*

*In 2013 Lincoln & York also partnered in a project to train up the next generation of coffee farmers in Peru to create a more sustainable industry, targeting the generational skills gap. Over 85 farmers aged 16-34 have undergone the course so far, gaining valuable skills on themes including 'co-operative management', 'sustainable practices' and 'coffee quality'.*

*As part of our commitment to sustainability we offer a reusable coffee cup that can be purchased in our coffee house. In return for using that cup and supporting sustainability you can enjoy 25% off the price of our coffee & tea products.*
