

COFFEE HOUSE MENU

OUR COFFEE STORY

We want our customers to enjoy outstanding coffee in a comfortable and relaxing environment.

Our distinctive, full-bodied signature blend, is expertly roasted by Lincoln & York. It has a distinct buttery toffee sweetness, backed up by a cream like mouthfeel and complemented by subtle citrus fruit notes and a delicious lingering milk chocolate note.

In addition to enjoying our coffee 'in house', you can also buy our coffee beans by the bag for enjoyment at home.

SUSTAINABILITY AND GIVING BACK

Over the last decade, Lincoln & York has established numerous direct relationships between growers, co-operatives and customers.

In 2013, they also partnered in a project to train up the next generation of coffee farmers in Peru, to create a more sustainable industry targeting the generational skills gap. Over 85 farmers aged 16 – 34 have undergone the course so far, gaining valuable skills on themes including 'co-operative management', 'sustainable practices' and 'coffee quality'.

As part of our commitment to sustainability, we offer a reusable coffee cup that can be purchased in our coffee house. In return for using the cup and supporting sustainability, you can enjoy 25% off the price of our coffee and tea products.
